NATIONAL UTAH TOKEN SOCIETY

President's Message

This month's meeting (April) is **CANCELLED**. We will resume meetings as soon as it is safe to do so. We will send an update the first part of next month.

I hope everyone is in good health and doing their best to make it through these very different times. On a positive insight, I see the vast majority is cooperating with the current safety recommendations. By doing this we will be able to go on with our meetings as soon as possible. I keep hoping for some sort of miracle so we can get together for our club meetings.

When it is safe to have our club meeting, we will resume where we left off with "finds of the month" and Club medal design voting.

"Metal detecting is a form of social distancing."

Thank you and stay safe,
Casey Dittman

On March 3rd UTA celebrated their 50th anniversary. In that time they have grown from bus service to include trains, ride sharing and para-transit. They have expanded into Salt Lake, Davis, Weber, Tooele, and Utah counties. UTA's tokens have Utah Transit Authority surrounding UTA in the center and on the reverse it has GOOD FOR ONE LOCAL FARE with a beehive design on the reverse.

"The Utah Transit Authority was incorporated on March 3, 1970 as the state's first transit district. Bus service started in those Salt Lake County communities a few months later with a few dozen 20 year-old buses and funding from the original Salt Lake City Lines. We made do with what we had, re-purposing an old gas station on Beck Street as our first headquarters."

The first General Manager Gary Massey told some of their early history.
